

# CGIA ENDORSEMENT PROGRAM SCULPTURE CONTEST

The Central Gulf Industrial Alliance (CGIA) is working to meet the current and future workforce needs of our members through the CGIA Endorsement Program. We would like to engage creative students and instructors from endorsed programs to design and build a sculpture to showcase the talent along the Central Gulf Coast.

The winning team will receive \$250 and the winner's school will receive an additional \$250 to cover materials (\$500 total prize money). The winners will also receive recognition on Central Gulf Industrial Alliance's website. All sculptures will be displayed at our General Membership Meeting on November 3rd.

## CONTEST RULES
