As we begin 2026, the CGIA Board of Directors wants to connect with you to enhance your membership experience!

This month, directors will be reaching out to primary contacts for each member company to introduce themselves and remind you of upcoming events.

Going forward on a quarterly basis, expect a call or email from them to build your knowledge about benefits of membership and answer any questions you may have about our organization. Think of it as having a built-in buddy system to create a new network of friends with similar interests.

We hope you find these connections beneficial.

Welcome New Member!

This year is already off to a rapid start and we are excited to see what 2026 has in store for our organization. From welcoming several new members to supporting returning partners, we are here and ready to help build a robust network of stakeholders to position the Gulf Coast as a preferred location for economic development.

Please be in touch if you need support. We look forward to seeing you in April.
