The CGIA Board of Directors wants to connect with you to enhance your membership experience!

If they have not already done so, board members will be reaching out to primary contacts for each member company to introduce themselves and remind you of upcoming events.

Expect a call or email from them on a quarterly basis to build your knowledge about benefits of membership and answer questions you may have about our organization. We hope you find these connections beneficial!

Staff Spotlight

We would like to extend a sincere thank you to Jonie for her dedication, hard work, and support during her time with CGIA. Over the past few years, Jonie has been an incredible asset to the organization, serving as a trusted partner and helping keep many of our day-to-day operations running smoothly. We are truly grateful for the time, care, and professionalism she has brought to the role.

At the same time, we are excited to welcome Heather Edgar back to CGIA as she transitions into the Executive Assistant position. Heather previously worked with the organization and is already familiar with many of our processes, making this a seamless transition. We look forward to having her rejoin the team and continue supporting CGIA's work in the months ahead.

I am excited about the upcoming event in Pensacola and look forward to seeing everyone in person. Be sure to join us to welcome Heather as well as send Jonie farewell wishes. You can also connect with your buddy and take home a fantastic gift from our board. Register now!
